Atchison Ferry!! L. BURNES, BRO G. M. MILLION

THIS FERRY has been in successful operation since 1849; during which time it has been the great crossing point for the Oregon, California and Utah Emigrant who came by Hanibal and Palmyra; there being a State Road directly through, and the latitude precisely the same. Our boat is a good one, and we have plenty of hands engaged at all times, to work it.

At the opening of Spring we shall have a fine new

STEAM FERRY BOAT, when all can cross without detention. The ferry landing is the best on the River, there being at all times deep water from shore to shore, and very narrow. Our banks have no wide sand beach where slock can mire down, being dry at all times. To the Emigrant to Kansas we say, this is the place to cross, as when here the distance to other points in the Territory, is nearer than from crossing places above or below.
